Dear x,

Thank you again for taking the time to speak with me today.

I am truly excited about the possibility of marketing your property in x.
It's a great home and I know I can help you achieve an outstanding result.

Properties such as yours need a strategic approach to ensure the maximum sale price is achieved and the right clients are located.

Generating a premium result takes experience. Using state of the art technology and creative marketing the job is made a little easier and in turn provides you with the confidence of a successful sale.

I give my heart and soul to this business with the sole purpose of creating the best opportunity for my clients to position their property above the competition.

If I was fortunate enough to work with you I will work harder than any agent you have ever met before and will always provide you with extensive feedback throughout the process.

Please call me anytime if I can help you get started.

Kind regards

Mat Steinwede
